The Top 10 New Laundry Rooms of 2024

Becky Harris 2 days ago

Houzz Contributor. Hi there! I live in a 1940s cottage in Atlanta that I'll describe as "collected." I got into design via Landscape Architecture, which I studied at the University of Virginia.

A highly functional laundry room makes fussy tasks like sorting, folding, handwashing and ironing easier to manage. Couple that with a welcoming style and you can create a laundry room that fosters comfort and joy. You'll find plenty of ideas to strike the right combination in this countdown of the most-saved laundry room photos uploaded to Houzz in 2024.

10. Pattern Perk

A patterned backsplash perks up this Miami laundry room by [Jinx McDonald Interior Designs](#). Raised appliances make loading and unloading easier on the back. Generous quartz countertops provide ample folding space. A large sink handles deep soaks. There's storage galore (with cabinets painted Agreeable Gray by Benjamin Moore) and even room for a dog crate.
